Dear Lilly Pierce,

It was with great pleasure that I found out about your activity as a volunteer at the Walter Reed Hospital. Your compassion and devotion to caring for Romanian soldier Florinel Enache, injured in Afghanistan, is a prideful moment for me, as the President of the Romanian Senate. You were born in our country and therefore, it is a privilege for me to be your fellow countryman. The sympathy and kindness you have shown Florinel and many other like him fills me with gratitude and praise for your work and for you as a human being.

My dear Lilly, I would like to take this opportunity to thank you once again and to let you know that Romania will always receive you with arms wide open, whenever you would like to visit.

Yours truly,

Crin Antonescu

President of the Romanian Senate
